ARCH PMS3182

- Lounge chairs
BIONG PMS3197

Spacious cushion and aesthetically pleasing styling: This product is a dynamic chair with an ergonomic design that brings absolute comfort to your living area. The top half wraps around the seat and ADAPTS to the pressure of your body in a soft embrace.

HSF212003

This seating collection comes with upholstered seats and backrests. The comfort of these seats is combined with the sinuous, enveloping backrest that is a feature of the entire collection. Depending on the choice of upholstery, the collection is suitable for more classic spaces or more modern contemporary living environments.

Kvass

HSF212002

The comfortable and functional structure is perfect for creating reading spaces in the corners of the home as well as relaxing areas. The curved lines and soft padding of the seats cleverly combine form with performance, and the rounded design makes the product look noticeably lighter and more modern.

And the sofa of the same type of leisure chair, there are different colors and materials to choose from. The side has a classic diamond lattice line. You can also choose two kinds of material stitching. Retro taste at the same time with comfortable feeling.

Dazii

HSF222003

Irving

UMSF23009

A comfortable reading armchair with a metal line construction that reinterprets the past in a modern way. It is highly versatile and can be adapted to different environments from private to public spaces.

ALANA

HRS102

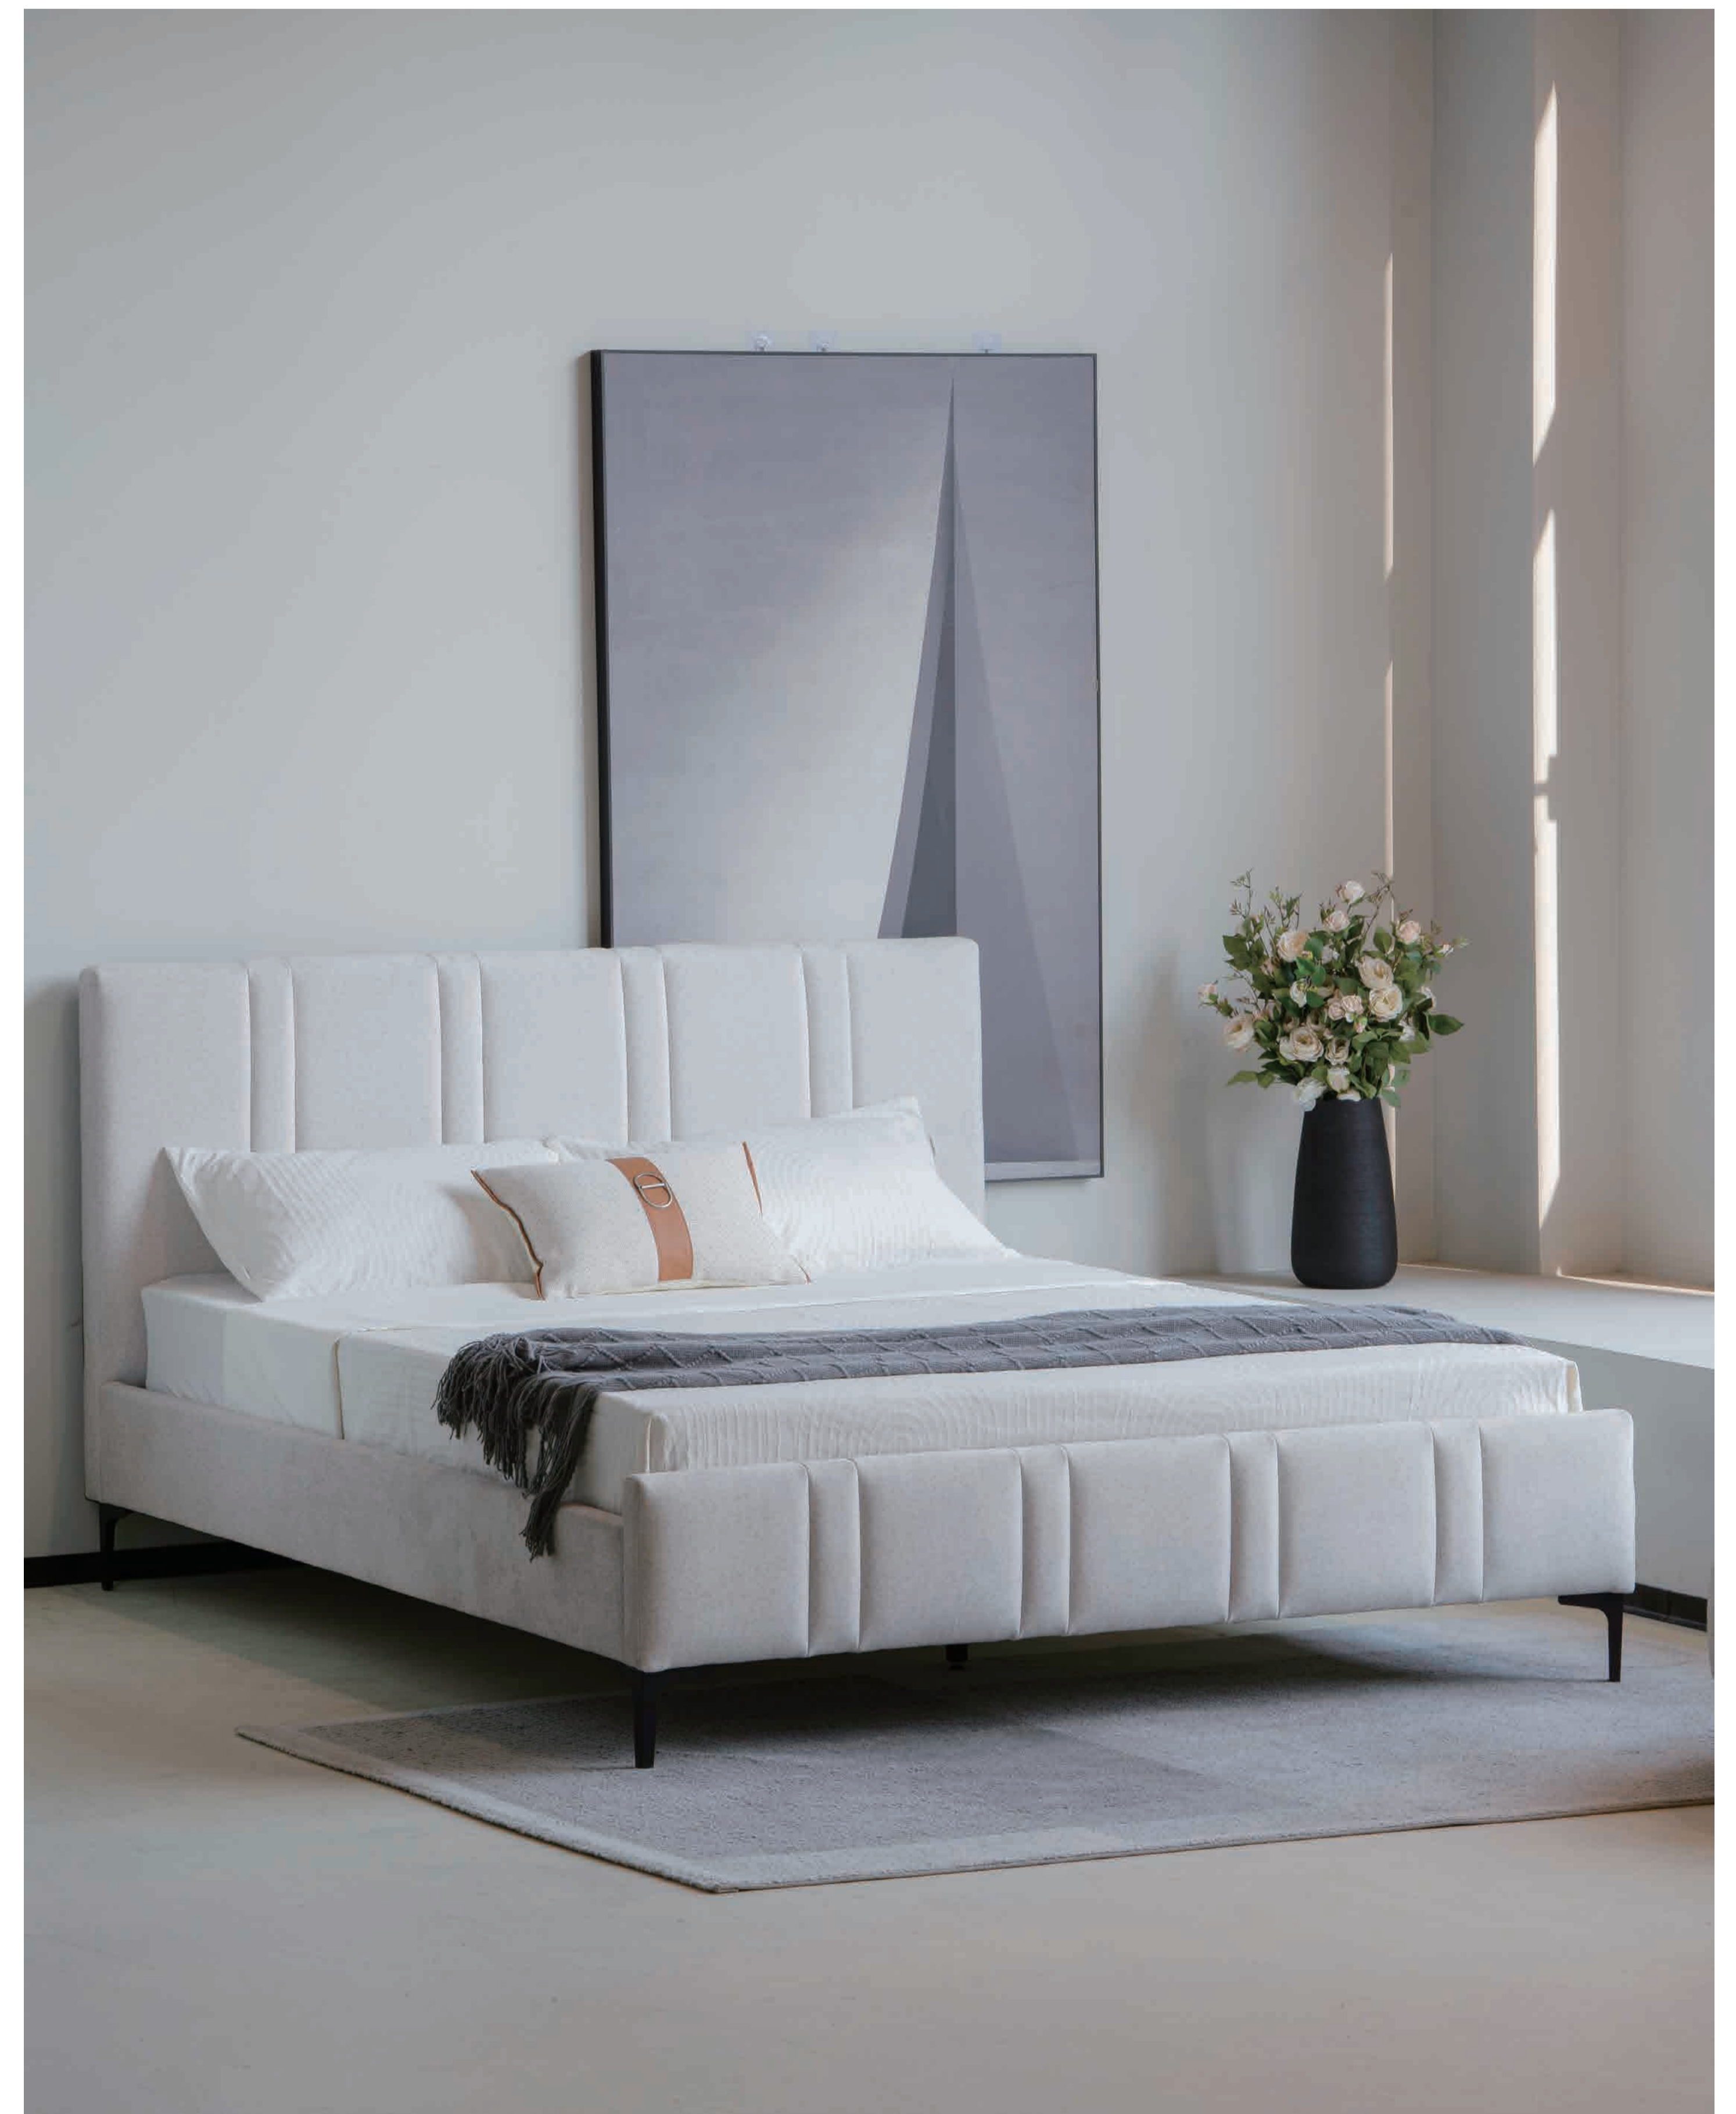

Exploring new horizons of comfort and fashion. ALANA has a remarkable versatility and a skilled use of materials. It stands out because its liner softens the line and can support any posture, standing out with its basic design while offering superior comfort. The product is available in single and triple seats, and can also be used in combination. It is ideal for modern everyday life.

ROBO

HMS1001

The wide shape and square volume echo the minimalism, enhancing a sense of lightness and composure. The seat cushion and back cushion rest gently on the interior structure of the sofa, reminiscent of the natural and comfortable world, creating an informal and comfortable seat. The addition of linear elements makes the product structure simple and modern, and enhances visual comfort.

The wide lines express a kind of warm and casual design, and the whole is divided into chunks to make it more delicate. The bed frame divided into chunks with lines is the pillar of the whole structure, adding a richer and warmer feeling to the whole. VELORA can be adapted to modern or classical environments.

The bed is the heart of each bedroom and is designed as a soft embrace with its curved wings extending out to invite relaxation and rest. It's not just a simple piece of furniture. It is a safe haven for our dreams and a place where we can relax and be reborn. Every detail is designed to guarantee an unparalleled

LORI HMB1031

Sensyl

USFB21004
